B- Reading Comprehension (12 Marks)

Read the following passage, then answer the questions below:

I'm Nancy and I'm so excited! Mom and Dad are taking me to my first circus. All my friends at school already have been to a circus but not me. When our teacher Miss Dana asked the class "Where will you be going at the week end?" My friend Sara said that she'll be going to the mall. Nadia said that she'll be going to her swimming lesson. And I said proudly " I'm going to my first circus". It was finally Saturday. And we went to the circus. We watched three big elephants moving in rings. We also watched the clown doing funny things with small balls. The most exciting part when the lion showed up ,we were so scared. There were four charming grey horses with riders that were doing some tricks. We took many pictures for them, even some with the funny clowns. I will never forget the fantastic time I had. I can't wait to share the best weekend ever with everyone back at school.
