B) Reading Comprehension (16 Marks)

Read the following passage, then answer the questions below:

Junko Tabei was born on the 22nd September 1939. She was born in Japan. She was the fifth daughter in a family of seven children. Everyone thought she was a weak child. Nevertheless she began mountain climbing at the age of 10, going on a class climbing trip with the school. Although she was interested in doing more climbing, her family did not have enough money for an expensive hobby, so Tabei made only a few climbs in her high school years.

In 1975 she was the first woman to reach the top of Mount Everest. When she climbed Everest she was a mother of two children. She went in a group of 15 other women. Their route was very long and hard. The group faced many difficulties. One of the difficulties was the snow storm that struck **them** on their way.

After that she became the first woman to climb the highest mountains all over the world. She went back to university to study the effect of rubbish left on the mountains by climbers. She continued with many of her mountaineering activities until she died on 20th October 2016. Many people still **admire** her hard work and achievements.
