Read the following passage carefully, then answer the questions below:

My favourite cafe in my city is called “The Coffee House”. It’s in the centre of the city, on Market Street. I go there because it’s a great place to spend time and relax. The first thing you notice when you walk in is the smell of fresh coffee. They make the best coffee in town! There are lots of different types of coffee to choose from – cappuccino, latte, espresso, and so on. My favourite is a caramel macchiato. **It** is delicious!

The decor is really cool. The walls are painted bright orange and there are big pictures of famous musicians on them. The tables and chairs are comfortable and there are big, soft armchairs near the windows where you can sit and watch the world go by.

They serve more than just coffee. They have a good **selection** of sandwiches, salads for lunch and they do a great breakfast too. They also have a wide range of cakes if you want something sweet. The prices are very reasonable, the service is fast, in addition to the staff who are friendly and smiling.

One of the things I like most about The Coffee House is that it’s always busy. There are many people there, chatting and laughing. Sometimes there’s live music, which is fun. They have free Wi-Fi, so you often see students working on their laptops. It’s a good place to study because it’s quiet, but not too quiet!
