**Read the following passage, then answer the questions below:**

Nasser's air travel to Spain was a bad experience. His flight yesterday turned into a nightmare. At 10 o'clock in the morning, Nasser left for the airport by taxi.

At the airport, the check-in agent asked for his passport. Suddenly, Nasser shouted, "What bad luck! Where is my passport?" At that moment, Nasser realised he forgot it at home. He became very angry. He jumped into a taxi and asked the driver to take him home quickly.

In twenty minutes, Nasser arrived home and ran straight to his bedroom. He found his passport on the bedside table and left the house again. But the taxi wasn't there! "Where's the taxi?", he asked himself.

A few minutes later, Nasser found another taxi and asked the driver to take him to the airport as fast as possible. Unfortunately, there were too many cars on the road, and the traffic was very bad. He arrived late at the airport. Sadly, the plane to Spain left at 11:30. Nasser missed it.
