B) Reading Comprehension (16 Marks)

16

Read the following text, and then answer the questions below:

At San Diego Park, you can see lots of amazing animals. It is a popular attraction for visitors who want to see Sumatran tigers: you can look through huge glass windows and watch the Sumatran tigers playing and enjoying their evironment. The park has lots of trees and plants for the tigers to hide in.

Tigers come from the cat family. They are beautiful and powerful animals. They can run fast, so they need lots of space. The park is **enormous**, so the tigers have lots of space to run. Tigers are very good at climbing trees, too. They like lying on branches because they can see a lot from the branches of tall trees. Tigers are very good swimmers. A the park, there are pools for the tigers to play in. You can watch **them** playing and swimming in the water.

Sumatran tigers are endangered animals. There are only about 400 Sumatran tigers left in the world. They live in forests in Sumatra, Indonesia. People are destroying the forests because they want the land for farming. Therefore, many Sumatran tigers don't have a place to live. San Diego park wants to protect Sumatran tigers. They want people to learn about tigers and try to help them.

a-Choose the correct answer from a, b, c and d: (6 × 2 = 12 Marks)
