08. The internet allows people from all over the world towith each other.

B- Reading Comprehension (16 Marks)**- Read the following passage carefully, then answer the questions that follow:**

16

Birds live all over the world. They come in many shapes, sizes, and colours. Some birds are very small, like the tiny hummingbird, while others are large, like the **giant** eagle.

Birds have special bodies. They have feathers to stay warm and fly high. Most birds can fly because of their strong wings. They use them to move up and down through the air. Some birds, like ostriches and penguins, cannot fly but ostriches can run very fast, and penguins are great swimmers.

Birds have different homes called nests. A nest can be made of wood sticks, leaves, or mud. **They** lay eggs in their nests, and after a few weeks, the eggs hatch and the baby birds come out. The parents take care of the babies until they are ready to fly.

Birds are very interesting. They eat different food like seeds, fruits, and insects. Watching birds is fun, and many people enjoy bird watching in the parks. Birds are known for their lovely songs in the morning.

A. From a, b, c or d, choose the most suitable answer: (6X2=12 Marks)

09. The **best title** for this passage would be:
